

# Croutons

Davidovitch croutons are made from all-natural ingredients to ensure that every product features a rich color and flavor, as well as excellent quality. The company's fully-automated state-of-the-art production line produces a variety of fresh, crispy croutons that are a tasty aperitif snack by themselves, while also adding culinary richness to soups, salads, and pasta dishes.

## Soup Croutons

Specially formulated with a mixture of all-natural ingredients, these croutons stay crisper for longer in your soup. We also produce baked and low-calorie varieties.

### Product Size

0.5 x 0.5cm

### Seasonings

Natural or garlic flavorings are available, and seasonings can be provided in accordance with customer requests.

### Storage & Shelf Life

Up to 12 months in a cool, dry place.

\*Shape, color, size and taste are adapted to meet customer requirements.

## Salad Croutons

Adding color and crispness to salads, these croutons are made from several different ingredients, including tomatoes, spinach, garlic and paprika, which produce red, green, warm yellow and orange-colored croutons.

### Product Size

Standard - 1 x 1cm | Traditional - 2 x 2cm

### Seasonings

A wide range of seasonings are available and can be tailor-made to suit customer needs. Our most popular flavors include Pizza, Spicy, and Mediterranean.
