

# Granola / Muesli

Made from the finest natural ingredients, all Davidovitch granola mixes are based on top quality oatmeal. This healthy, nutritious snack can also include crunchy sesame and sunflower seeds, delicious slices of dried fruit such as pineapple, papaya, apple, and banana, juicy raisins and flaked almonds. All our granola is enriched with dietary fiber, giving the products additional nutritional value. A wide variety of mixes are available, with every final product being of the highest standard, offering maximum taste and satisfaction.

## Additional Options

The options for different granola mixes are almost endless and can be precisely adapted to customer needs. Honey and brown sugar can also be added, as well as artificial sweeteners suitable for a sugar-free diet.

## Storage & Shelf Life

Up to 12 months in a cool, dry place.
